Attention To Improving  
High Ways.

Christian County's Road System The Envy Of Other  
Counties.

The Fiscal Court met Tuesday for regular business and its most important action was to adopt a resolution setting aside August 15 as Good Roads Day.

The court authorized the borrowing of \$1000 from the Bank of Crofton until the taxes came in. This money is to be used in keeping the work of turnpike construction going. The following roads are now under contract.

### Notice to the Public.

Whereas, this court has for the present year appropriated the larger part of the Road fund for the repair of the existing turnpikes, the construction of new turnpikes and the repair of bridges and culverts, and whereas, the heavy floods of the early spring and summer have unexpectedly and greatly damaged all the roads and culverts of the county, and whereas, the road fund is not sufficient to properly repair the roads and culverts in addition to the work heretofore contracted for, and whereas, the court has not required the road hands of the county to work on the public roads for the past six years, it is ordered by the court that Thursday, the 15th day of August, 1912, be and the same is, hereby set apart by this court, as Good Roads Day, and all patriotic, able-bodied men, with their employees, owning or renting land in this county, are requested to devote that day to the repair of the public roads and turnpikes and ditches along their land and to cleaning up the right-of-way as a contribution to help make the roads in this county the best in Western Kentucky, and to help make this the best county.

The lands are yours and the roads are yours and the roads are the most important part of your lands. Let all good citizens aid in making Thursday, the 15th day of August, the greatest Good Roads Day we have ever had, and the beginning of a better era in the history of our public roads.

### BULL MOOSE PARTY OFF.

Assemble at Chicago Monday  
With Col. Roosevelt Present.

Chicago, Aug. 6.—The National Progressive party took its place in the arena of American politics here Monday when its first National convention assembled in the Coliseum, where the Republican National convention was held seven weeks ago.

Col. Theodore Roosevelt, sponsor for the party, arrived in Chicago this morning but did not attend first session of the convention; he will deliver his "confession of faith" today.

Former Senator Albert J. Beveridge, of Indiana, was elected temporary chairman of the convention, after Senator Dixon had called the assemblage to order and prayer had been offered.

Senator Beveridge was greeted with long cheers and delivered his keynote speech bristling with the most advanced ideas of progressivism.

The floor of the big convention hall was crowded and the galleries, slow to fill at first, held but comparatively few empty seats when the convention got under way shortly before 1 o'clock.

The delegates were most enthusiastic frequently interrupting the proceedings with cheers and applause.
